

## **SELECTMEN'S MINUTES FOR 6 SEPTEMBER 2016**

Attendees: Bob Allen, Tom Fuschetto, Barry Corriveau & Jacqui Fay

Attendance taken and a quorum was declared.

Reviewed and signed check manifest in the amount of \$60,394.98 and reviewed the deposits for the week ending 6 September 2016.

Reviewed updated 911 maps.

Selectmen reviewed recommendations dated 9/1/2016 from Eckman Engineering and the Selectmen agreed to award the Marlow Hill contract to K A Stevens based on Eckman Engineering recommendations. The Selectmen will enter into value engineering with the K A Stevens.

Reviewed letter dated 8/29/2016 from Patrick Hersom and Mary Doyle. Will discuss with John Hatfield, Commerford Neider & Perkins, regarding land to be removed from Current Use.

Discussed layout of Plan Marlow flyer to go out this week. Reviewed email from Peter Thayer proposing a paved trail that runs from school to the Town Office. Will ask Peter for a rough layout of the proposed trail. Reviewed email from Misha Golfman with an update on the kiosk preparations, currently waiting for approval from NHDOT. Selectmen would like to ask for donations towards the cost of materials, however if these do not materialize they approved payment up to \$1500.

Ken Avery called regarding reducing speed limit on Route 10. Suggested approaching NHDOT in Concord and stating reason is due to extending village district. Confirmed new radar unit had been installed in cruiser. Confirmed ordinance that all unposted roads in Marlow must not exceed 30mph.

Received progress report from Treasurer.

Tom Fuschetto and Barry Corriveau gave an update on their meeting with Fairpoint last Wednesday. There are three distribution centers in Town currently and Fairpoint owns 12 miles of fiber optic in Town. There are parts of Town that

should be able to increase their capacity. Customers need to call Fairpoint regarding increased service options. Questions were raised as to whether stations were working properly. Fairpoint confirmed that current bandwidth is adequate. Discussed future expansion with Fairpoint. Fairpoint informed us that there is an upgrade coming to Town by the end of September.

SWNH Fire Mutual Aid confirmed there was a misunderstanding with the order of 5 new minitors and that the order was duplicated. SWNH Fire Mutual Aid have managed to reprogram and sell these to other customers.

MS 1 Extension approved.

Reviewed email from Legal Inquiries ref ATV/Trail Advisory Board. Legal Inquiries have informed us that the Selectmen have the authority to form a committee for advisory purposes. At this time it is the decision of the Selectboard that adequate resources are currently available through Plan Marlow and more specifically the sub group 'Expanding Recreational Opportunities' However the Selectboard strongly recommend that this group work more closely with other trail groups. More specifically we would like to see this group review the recent ATV proposal and make recommendations to the Selectboard and Plan Marlow group as to the development and use of multi-purpose trails. Furthermore the Selectboard would like to hear from anyone with an opinion on the latest ATV proposal in person or in writing. Copies of the proposal are available at the Town Office.

Bob Allen to attend Fairpoint Appeal Status Conference 9/9/2016 at Merrimack Superior Court. Reviewed statement from Town.

Went into private session at 11:00pm. Minutes taken and sealed. Came out of private session 11:30pm. Meeting adjourned.
